

INTERACT- Projected short and long term goals

PHASE I-(Completed)

North Carolina and Cochabamba Partners received a Travel Grant to bring Claudia Jimenez to Raleigh area from November 29, 2010 to December 17, 2012.

PHASE II (Claudia Jimenez preliminary written Plan)-(Received 2011)

PHASE III-(Pending completion of Travel Grant with projected dates for Kathy Johnson, Associate Executive Director of Interact to visit Cochabamba November 3-19, 2012)

PHASE IV

- ***Kathy Johnson will travel to Cochabamba in November, 2012***
- ***Claudia Jimenez and Kathy Johnson will write “Preliminary Plan” to increase and improve a variety of services for families dealing with domestic violence in Cochabamba (city and Department of Cochabamba-by March 1, 2012***
- ***It is anticipated that because of the Plan’s written by both traveler’s that identifies new needs of Interact, Warmi and INFANTE, justification will be evident to apply for grants and/or public and private funding for the improvement and expansion of programs in the respective organizations.-by December 30, 2012***
- ***The information that develops from this project will make it possible to propose a strong case for additional support to a variety of sources for future program needs identified. -To be determined***
- ***Preliminary research indicates that there are possible sources of funding to develop and sustain the suggestions identified in the written Plans of this international project after funding ends.***

Possible future sources of funds for the long range implementation of the Plan are available from the:

- ***Global Fund for Women***
- ***Child Fund International***
- ***UNICEF***
- ***The Body Shop Foundation***
- ***US Department of Justice, Office of Violence Against Women***
- ***US Agency for International Development***
- ***US Department of Health and Human Services: Family Violence Programs; Pan American Health Organization***
- ***Save the Children***
